Comments and suggestions for the teaching assistant

- Made very detailed explanations in the TA sessions.
- Thanks!
- Very ready to help and good explanations
- Jan was really helpful and kind! It is remarkable that, even if you did not ask for help, at some point he would come to your seat to ask how you were doing with the problem sets and help with anything needed.
- I think it doesn't necessary to ask us "do you have a question". Sometimes it interrupted my train of thought.
- Good in all respects, nothing more needed
- I really appreciated him taking the time to answer our questions in depth, great TA!

The image shows a handwritten signature in blue ink, which appears to be "Guillermo Caruana". To the right of the signature is the official circular seal of CEMFI (Centro de Estudios Monetarios y Financieros). The seal is blue and contains the text "CENTRO DE ESTUDIOS MONETARIOS Y FINANCIEROS" around the perimeter and "cemfi" in the center.
